8. If you "walk off the job" (i.e., you leave before the end of the shift without the approval of your jobsite supervisor) you will be paid minimum wage for the hours worked that day. It is your responsibility to obtain a jobsite supervisor-approved timesheet indicating actual hours worked before you will be paid.
9. You should notify Personnel Plus immediately if there are any changes to your contact information, including phone numbers, address, etc. or if there are changes in your ability or availability to work, or if you become unable to complete an assignment.
10. Failure to do so will be considered misconduct, & may result in your termination from Personnel Plus with no further warning.
11. All employees must respect the confidentiality of the client's business. You must sign a confidentiality &/or secrecy agreement if requested. You may also be required to sign other client-specific policy statements, depending on the assignment, & are required to comply with their terms.
12. All employees are required to submit to drug &/or alcohol testing as a condition of employment. Failing or refusing a drug or alcohol test, or other violation of the Personnel Plus Drug Testing Policy, may result in termination with no further warning.
13. You must comply with the Personnel Plus Safety Policy Statement (including on-the-job accident procedures & wearing & using safety equipment as instructed) & with all jobsite, client, & OSHA safety requirements. If you are unfamiliar with these requirements, ask your jobsite supervisor or Personnel Plus. Failure to comply with safety rules will be grounds for termination with no further warning.
14. You may also be terminated for misconduct, with no further warning, for reasons including, but not limited to; provoking, instigating or participating in a fight; refusal to perform assigned job duties; abusive, threatening or detrimental language or behavior, unauthorized possession, use, or removal of Personnel Plus or client company property or carelessness with that property; sleeping on the job; dishonesty (including giving false or misleading information in your application, interview, or on timesheets); sexual harassment (in accordance with the Personnel Plus Sexual Harassment Policy); insubordination; repeated &/or excessive tardiness or absenteeism; reporting to work under the influence of drugs or alcohol, or in the possession of drugs, alcohol, or weapons, violation of other Personnel Plus policies; violation of client company policies; or violation of a written warning.
15. **It is your responsibility to ensure that your timesheet is filled out completely & correctly & is signed by an authorized representative of the client company to which you were assigned.** Failure to do so may result in a delay in the processing your timesheet until which time you make the necessary corrections &/or obtain the client's signature. The timesheet will then be submitted with the payroll currently being processed. **You must deliver your properly completed timesheet to Personnel Plus no later than 5:00 pm on the Tuesday** following the end of the pay period. If your timesheet is turned in late, it will result in the delay of your paycheck by at least one week. 16. No paycheck will be released to anyone other than the employee without a signed, dated note from the employee authorizing another party to pick up the employee's check. The party picking up your check must have their picture ID with them. As an employee, you agree to accept your paycheck on the regularly scheduled payday regardless of when your assignment ends. To obtain a replacement check for one that has been lost or stolen, you must contact Personnel Plus & complete an affidavit for its replacement. 14 to 30 days may be required to replace the check. Details can be obtained at the Personnel Plus office. Payroll debit cards & direct deposit are also available.
17. This document serves as a written warning for any terminable offense outlined above and for violation of company code of conduct.

DRUG TESTING POLICY

Policy Statement It is the policy of Personnel Plus to maintain drug free workplace in accordance with the standards set by the Idaho Employers Alcohol and Drug-free Workplace Act and it is a condition of employment with Personnel Plus that all employees abide by this policy. Personnel Plus will not hire, rehire, or retain any individual who tests positive for any illegal drug or alcohol in their system; or who uses illegal drugs or a controlled drug in any amount, regardless of frequency, without a medically acceptable prescription. Idaho law stipulates conditions for which an employee may be discharged for misconduct or denied employment due to testing positive for illegal drugs or alcohol. Personnel Plus will discharge any current employee for misconduct and deny employment to any prospective employee who submits a specimen resulting in a confirmed positive test for illegal drugs or alcohol.

Conditions for testing: All current Personnel Plus employees, prospective employees or applicants, may be required to undergo a drug/alcohol screening test for any of the following reasons:

- Condition of initial employment (pre-employment)
- Condition of continuation of employment
- Routine or random screening
- Reasonable suspicion by Personnel Plus or its Clients
- Critical events (workplace accidents, unusual behavior, etc.)

Requirements: You will be required to submit a specimen under reasonable and sanitary conditions for use in the drug/alcohol screening test. If you fail or refuse to supply a specimen within a reasonable time period, and unless you have a documentable medically acceptable reason, you will be presumed in violation of our drug testing policy and discharged for misconduct or denied employment.

Collection: You will be supplied an approved container to submit your specimen and asked to place it in a secure area. A trained technician will check the sample for contamination and proper temperature; and then proceed with conducting the drug screen. The specimen will be labeled with donor name, time and date. Reasonable quality assurance standards will be maintained throughout the collection, storage and transportation and testing process to ensure non-contamination or adulteration of the specimen. In the event of a specimen yielding a positive result, the resulting specimen will be sealed and processed in accordance with acknowledged chain of custody standards.

Test: The Preliminary test utilizes a scientifically accepted Redit-Screen™ or similar quick drug/alcohol screening test. This is a one-step invitro immunochromatographic test for qualitative determination of common drugs of abuse and their metabolites including: THC, PCP, Opiates, Cocaine, and Methamphetamine. The test detects drug metabolite present in the specimen and will present a positive result when the concentration exceeds the following threshold limits or levels. Other tests may also be used:

THC	50ng/ml	other:
PCP	25ng/ml	
Opiates	300ng/ml	
Cocaine	300ng/ml	
Methamphetamine	1,000ng/ml	

Test result: The submitted specimen will be screened for one or more of the substances stated above and the result available in about 5 minutes. Depending on the test outcome, the following actions will be taken:

Negative test: No action taken other than recording the test result on the official drug test log. **Positive test:** An immediate recheck will be performed utilizing a separate Redit-Screen™ media to verify the positive result. If the recheck confirms the positive result, then the original sample will be immediately sealed, labeled and prepared according to Chain of Custody Standards. The donor must sign and acknowledge submitting the sealed specimen.

Explanation: The donor will be shown the test result and will be given an opportunity to explain, admit, or question it.

Confirmation lab test: All disputed tests will be forwarded to an independent lab utilizing a chromatographic technique to confirm the preliminary result. In any event, the confirmatory independent lab test result will be used in the application of this policy. The donor will be notified of the final result in writing by Personnel Plus or by the laboratory. The employee will be given an opportunity to discuss and explain the positive test result with a medical review officer or other qualified individual. The employee has the right to request a retest (at their expense) of the same sample which will be performed within (7) working days. The employee will be reimbursed for incurred expenses in the event of a reversed disputed test result. Any Personnel Plus employee who has a confirmed positive test will be in violation of this policy and will be suspended or discharged for misconduct.

Written Copy: The donor will be provided a copy of all test results including the type of substance involved.

Confidentiality: Reasonable care will be maintained by all parties involved to assure confidentiality and privacy of donor records.

Acknowledgement: By signing this form, the undersigned acknowledges that they understand the drug-free policy of Personnel Plus and understand that a confirmed positive drug test will result in discharge or denial of employment. The undersigned acknowledges that they understand the requirements of the test, the type of test used, and their opportunity to explain, admit or dispute the preliminary Redit-Screen™ or similar preliminary test result. The undersigned further acknowledges that the specimen involved in a disputed result will be sealed and handled in accordance with acknowledged chain of custody standards and sent to an independent lab for confirmation, and that the final results will be used for determination and implementation of any disciplinary action arising from application of this policy.
