**Purpose.** Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

**Exemption from withholding.** If you are exempt, complete **only** lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2008 expires February 16, 2009. See Pub. 505, Tax Withholding and Estimated Tax.

**Note.** You cannot claim exemption from withholding if (a) your income exceeds \$900 and includes more than \$300 of unearned income (for example, interest and dividends) and (b) another person can claim you as a dependent on their tax return.

**Basic instructions.** If you are not exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 adjust your withholding allowances based on itemized deductions, certain credits,

adjustments to income, or two-earner/multiple job situations. Complete all worksheets that apply. However, you may claim fewer (or zero) allowances.

**Head of household.** Generally, you may claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See Pub. 501, Exemptions, Standard Deduction, and Filing Information, for information.

**Tax credits.** You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See Pub. 919, How Do I Adjust My Tax Withholding, for information on converting your other credits into withholding allowances.

**Nonwage income.** If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax

payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity income, see Pub. 919 to find out if you should adjust your withholding on Form W-4 or W-4P.

**Two earners or multiple jobs.** If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See Pub. 919 for details.

**Nonresident alien.** If you are a nonresident alien, see the Instructions for Form 8233 before completing this Form W-4.

**Check your withholding.** After your Form W-4 takes effect, use Pub. 919 to see how the dollar amount you are having withheld compares to your projected total tax for 2008. See Pub. 919, especially if your earnings exceed \$130,000 (Single) or \$180,000 (Married).

**General Information:**

Idaho law does **not** require a person to give consent, however, without a signed release from the subject of the record, any arrest more than 12 months old, **without** a disposition, cannot be given to a non-criminal justice agency.

Criminal history record information furnished as a result of a non-fingerprint based computerized search is based solely on a search of identifiers provided in the request. Be aware it is not uncommon for criminal offenders to use alias names and false dates of birth, which would adversely affect the completeness and accuracy of a non-fingerprint based search of the Idaho Central Repository of Criminal History Records. No other state or federal agency records can be searched under current law. The bureau does not telephone or fax responses. Please allow ample time for processing this request. Requests are processed on a first come basis.

The records maintained by the Idaho Bureau of Criminal Identification (BCI) are based upon the felony and serious misdemeanor arrests reported to BCI from other Idaho criminal justice agencies. If a person disputes the accuracy of information obtained, that person may challenge the information by writing to the address on this form.

Idaho code 67-3008 (6) states, "A person or private agency, or public agency, other than the department, shall not disseminate criminal history record information obtained from the department to a person or agency that is not a criminal justice agency or a court without a signed release of the subject of record or unless otherwise provided by law."

### Drug Testing Policy

#### Policy Statement

It is the policy of Personnel Plus to maintain drug free workplace in accordance with the standards set by the Idaho Employers Alcohol and Drug-free Workplace Act and it is a condition of employment with Personnel Plus that all employees abide by this policy. Personnel Plus will not hire, rehire, or retain any individual who tests positive for any illegal drug or alcohol in their system; or who uses illegal drugs or a controlled drug in any amount, regardless of frequency, without a medically acceptable prescription. Idaho law stipulates conditions for which an employee may be discharged for misconduct or denied employment due to testing positive for illegal drugs or alcohol. Personnel Plus will discharge any current employee for misconduct and deny employment to any prospective employee who submits a specimen resulting in a confirmed positive test for illegal drugs or alcohol.

#### Conditions for testing

All current Personnel Plus employees, prospective employees or applicants, may be required to undergo a drug/alcohol screening test for any of the following reasons:

- Condition of initial employment (pre-employment)
- Condition of continuation of employment
- Routine or random screening
- Reasonable suspicion by Personnel Plus or its Clients
- Critical events (workplace accidents, unusual behavior, etc.)

**Requirements:** You will be required to submit a specimen under reasonable and sanitary conditions for use in the drug/alcohol screening test. If you fail or refuse to supply a specimen within a reasonable time period, and unless you have a documentable medically acceptable reason, you will be presumed in violation of our drug testing policy and discharged for misconduct or denied employment.

**Collection:** You will be supplied an approved container to submit your specimen and asked to place it in a secure area. A trained technician will check the sample for contamination and proper temperature; and then proceed with conducting the drug screen. The specimen will be labeled with donor name, time and date. Reasonable quality assurance standards will be maintained throughout the collection, storage and transportation and testing process to ensure non-contamination or adulteration of the specimen. In the event of a specimen yielding a positive result, the resulting specimen will be sealed and processed in accordance with acknowledged chain of custody standards.

**Test:** The Preliminary test utilizes a scientifically accepted Redi-Screen™ or similar quick drug/alcohol screening test. This is a one-step invitro immunochromatographic test for qualitative determination of common drugs of abuse and their metabolites including: THC, PCP, Opiates, Cocaine, and Methamphetamine. The test detects drug metabolite present in the specimen and will present a positive result when the concentration exceeds the following threshold limits or levels. Other tests may also be used:

THC	50ng/ml	other: _____
PCP	25ng/ml	_____
Opiates	300ng/ml	_____
Cocaine	300ng/ml	_____
Methamphetamine	1,000ng/ml	_____

**Test result:** The submitted specimen will be screened for one or more of the substances stated above and the result available in about 5 minutes. Depending on the test outcome, the following actions will be taken:

**Negative test:** No action taken other than recording the test result on the official drug test log.

**Positive test:** An immediate recheck will be performed utilizing a separate Redi-screen™ media to verify the positive result. If the recheck confirms the positive result, then the original sample will be immediately sealed, labeled and prepared according to Chain of Custody Standards. The donor must sign and acknowledge submitting the sealed specimen.

**Explanation:** The donor will be shown the test result and will be given an opportunity to explain, admit, or question it.

**Confirmation lab test:** All disputed tests will be forwarded to an independent lab utilizing a chromatographic technique to confirm the preliminary result. In any event, the confirmatory independent lab test result will be used in the application of this policy. The donor will be notified of the final result in writing by Personnel Plus or by the laboratory. The employee will be given an opportunity to discuss and explain the positive test result with a medical review officer or other qualified individual. The employee has the right to request a retest (at their expense) of the same sample which will be performed within (7) working days. The employee will be reimbursed for incurred expenses in the event of a reversed disputed test result. Any Personnel Plus employee who has a confirmed positive test will be in violation of this policy and will be suspended or discharged for misconduct.

**Written Copy:** The donor will be provided a copy of all test results including the type of substance involved.

**Confidentiality:** Reasonable care will be maintained by all parties involved to assure confidentiality and privacy of donor records.

**Acknowledgement:** By signing this form, the undersigned acknowledges that they understand the drug-free policy of Personnel Plus and understand that a confirmed positive drug test will result in discharge or denial of employment. The undersigned acknowledges that they understand the requirements of the test, the type of test used, and their opportunity to explain, admit or dispute the preliminary Redi-Screen™ or similar preliminary test result. The undersigned further acknowledges that the specimen involved in a disputed result will be sealed and handled in accordance with acknowledged chain of custody standards and sent to an independent lab for confirmation, and that the final results will be used for determination and implementation of any disciplinary action arising from application of this policy.
