If you have questions about these policies, please contact Personnel Plus.

- 1. Any person who is employed by Personnel Plus, is assigned to one of its client companies, & is paid for that assignment by Personnel Plus does so as an employee of Personnel Plus, & NOT of the client company. Unless otherwise defined by applicable law, any employment relationship with Personnel Plus is of an "at will" nature, which means that you may resign at any time and Personnel Plus may discharge you at any time with or without cause. This "at will" employment relationship may not be changed by any written document or conduct unless specifically acknowledged in writing by an authorized executive of Personnel Plus.
- 2. Personnel Plus is an Equal Opportunity Employer. Personnel Plus does not discriminate on the basis of sex, race, age, marital status, religious affiliation, ethnic origin, or disability. Personnel Plus can make no guarantee as to the type or length of assignments or the number of hours you can expect to work.
- 3. You must call the Personnel Plus office every day that you are available to work.
- 4. Make sure, before accepting an assignment, that you can complete it. Once you've accepted, Personnel Plus expects you to report on time, every day of the assignment. Arrive early the first day so you can get settled before starting your shift. We expect you to report for work dressed appropriately, with good hygiene, & that you will be courteous & enthusiastic with our client. You are required to comply with all client rules. If you are asked to perform duties that were not included as part of your job description, contact Personnel Plus. Do not leave your phone number with the client. Tell them that you can be contacted through the Personnel Plus office.
- 5. As an employee, you may decline assignments without jeopardizing future employment with Personnel Plus. However, if you fail to accept a suitable work assignment or accept other work without first contacting Personnel Plus, you will be considered to have voluntarily quit. If you leave an assignment without good cause, or do not complete a work assignment for personal reasons, you will be considered to have voluntarily quit.
- 6. If at any time you have problems or concerns on a work assignment, contact Personnel Plus immediately. If the client company to which you are assigned has questions about Personnel Plus, please refer them to our office. Do not answer policy questions yourself.
- 7. In the event of an emergency or illness, or if for any reason you are not able to report to work on time & for your full shift, you must notify Personnel Plus before the start of your shift. Failure to do so may result in termination with no further warning.
- 8. 8 If you "walk off the job" (i.e., you leave before the end of the shift without the approval of your jobsite supervisor) you will be paid minimum wage for the hours worked that day. It is your responsibility to obtain a jobsite supervisor-approved timesheet indicating actual hours worked before you will be paid.
- 9. You should notify Personnel Plus immediately if there are any changes to your contact information, including phone numbers, address, etc. or if there are changes in your ability or availability to work, or if you become unable to complete an assignment.
- 10. Upon the end of any assignment, you must call the Personnel Plus office between 8am-5pm on the next business day following the end of the assignment, speak with a Personnel Plus representative, & report your availability for work. Failure to do so will be considered misconduct, & may result in your termination from Personnel Plus with no further warning.
- 11. All employees must respect the confidentiality of the client's business. You must sign a confidentiality &/or secrecy agreement if requested. Any breach of Personnel Plus or a client's confidentiality will be grounds for termination with no further warning. You may also be required to sign other client-specific policy statements, depending on the assignment, & are required to comply with their terms.
- 12. All employees are required to submit to drug &/or alcohol testing as a condition of employment. Failing or refusing a drug or alcohol test, or other violation of the Personnel Plus Drug Testing Policy, may result in termination with no further warning.
- 13. You must comply with the Personnel Plus Safety Policy Statement (including on-the-job accident procedures & wearing & using safety equipment as instructed) & with all jobsite, client, & OSHA safety requirements. If you are unfamiliar with these requirements, ask your jobsite supervisor or Personnel Plus. Failure to comply with safety rules will be grounds for termination with no further warning.
- 14. You may also be terminated for misconduct, with no further warning, for reasons including, but not limited to; provoking, instigating or participating in a fight; refusal to perform assigned job duties; abusive, threatening or detrimental language or behavior, unauthorized possession, use, or removal of Personnel Plus or client company property or carelessness with that property; sleeping on the job; dishonesty (including giving false or misleading information in your application, interview, or on timesheets); sexual harassment (in accordance with the Personnel Plus Sexual Harassment Policy); insubordination; repeated &/or excessive tardiness or absenteeism; reporting to work under the influence of drugs or alcohol, or in the possession of drugs, alcohol, or weapons, violation of other Personnel Plus policies; violation of client company policies; or violation of a written warning.
- 15. It is your responsibility to ensure that your timesheet is filled out completely & correctly & is signed by an authorized representative of the client company to which you were assigned. Failure to do so may result in a delay in the processing your timesheet until which time you make the necessary corrections &/or obtain the client's signature. The timesheet will then be submitted with the payroll currently being processed. You must deliver your properly completed timesheet to Personnel Plus no later than 5:00 pm on the Tuesday following the end of the pay period. If your timesheet is turned in late, it will result in the delay of your paycheck by at least one week. Some client companies will report your hours to Personnel Plus via fax; however, it is still your responsibility to make sure Personnel Plus received your hours by the 5:00 pm deadline.
- 16. No paycheck will be released to anyone other than the employee without a signed, dated note from the employee authorizing another party to pick up the employee's check. The party picking up your check must have their picture ID with them. As an employee, you agree to accept your paycheck on the regularly scheduled payday regardless of when your assignment ends. To obtain a replacement check for one that has been lost or stolen, you must contact Personnel Plus & complete an affidavit for its replacement. 14 to 30 days may be required to replace the check. Details can be obtained at the Personnel Plus office. Payroll debit cards & direct deposit are also available.
- 17. This document serves as a written warning for any terminable offense outlined above and for violation of company code of conduct.

#### A benefit claimant:

- 1. Who has been assigned to work for one or more customers of a staffing service and,
- 2. Who at the time of hire by the staffing service, signed a written notice informing him/her that completion or termination of an assignment for a customer would not, of itself, terminate the employment relationship with the staffing service, will not be considered unemployed upon completion or termination of an assignment until such time that he/she contacts the staffing service to determine if further suitable work is available. If the claimant:

  - c. Accepts new employment without first contacting the staffing service for additional work, he/she will be considered to have voluntarily quit the employment with the staffing service.
  - d. The term "staffing service" means any person who assigns individuals to work for its customers, and includes but is not limited to professional employers as defined in chapter 24, title 44, Idaho Code, and the employers of temporary employees as defined in section 44-2403(7) of Idaho Code.

# Form W-4 (2011)

**Purpose.** Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

**Exemption from withholding.** If you are exempt, complete **only** lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2011 expires February 16, 2012. See Pub. 505, Tax Withholding and Estimated Tax.

**Note.** If another person can claim you as a dependent on his or her tax return, you cannot claim exemption from withholding if your income exceeds \$950 and includes more than \$300 of unearned income (for example, interest and dividends).

Basic instructions. If you are not exempt, complete the Personal Allowances Worksheet below. The worksheets on page 2 further adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earners/multiple jobs situations.

Complete all worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

**Head of household.** Generally, you may claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See Pub. 501, Exemptions, Standard Deduction, and Filing Information, for information.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the Personal Allowances Worksheet below. See Pub. 919, How Do I Adjust My Tax Withholding, for information on converting your other credits into withholding allowances.

**Nonwage income.** If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using

Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity income, see Pub. 919 to find out if you should adjust your withholding on Form W-4 or W-4P.

Two earners or multiple jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See Pub. 919 for details.

Nonresident alien. If you are a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Check your withholding. After your Form W-4 takes effect, use Pub. 919 to see how the amount you are having withheld compares to your projected total tax for 2011. See Pub. 919, especially if your earnings exceed \$130,000 (Single) or \$180,000 (Married).

#### **General Information:**

Idaho law does **not** require a person to give consent, however, without a signed release from the subject of the record, any arrest more than 12 months old, **without** a disposition, cannot be given to a non-criminal justice agency.

Criminal history record information furnished as a result of a non-fingerprint based computerized search is based solely on a search of identifiers provided in the request. Be aware it is not uncommon for criminal offenders to use alias names and false dates of birth, which would adversely affect the completeness and accuracy of a non-fingerprint based search of the Idaho Central Repository of Criminal History Records. No other state or federal agency records can be searched under current law. The bureau does not telephone or fax responses. Please allow ample time for processing this request. Requests are processed on a first come basis.

The records maintained by the Idaho Bureau of Criminal Identification (BCI) are based upon the felony and serious misdemeanor arrests reported to BCI from other Idaho criminal justice agencies. If a person disputes the accuracy of information obtained, that person may challenge the information by writing to the address on this form.

Idaho code 67-3008 (6) states, "A person or private agency, or public agency, other than the department, shall not disseminate criminal history record information obtained from the department to a person or agency that is not a criminal justice agency or a court without a signed release of the subject of record or unless otherwise provided by law."

Personnel Plus is dedicated to ensuring a safe workplace environment for all of our employees. Our goal is to have zero on-the-job injuries. As an employee of Personnel Plus, it is essential that you are aware of and understand this goal, as well as all other Personnel Plus and jobsite safety requirements. We are committed to your safety and well-being, and you must also take personal responsibility for always conducting yourself in a safe and responsible manner. You should always think "safety first" before initiating any task. We expect you to always perform your duties in a manner that is consistent with this "zero injuries" goal. We ask that you read and understand the following safety policy. You are responsible for seeking clarification with us if any part of this policy is unclear. As an employee with our company, you will be required to acknowledge this policy and conform to its requirements.

#### **EMPLOYEE SAFE WORK PROCEDURES**

Personnel Plus strives to ensure a safe workplace for all employees and has established a goal of zero on-the-job injuries. As such, you must adhere to all workplace safety requirements. Following are general safety guidelines that you will be expected to follow:

- You should never perform a task that you believe to be unsafe, or that is beyond your physical capability. Always ask for help if needed.
- You will be required to comply with all safety policies and procedures in place at your jobsite. If any jobsite policy or procedure is unclear to you, it is your responsibility to seek clarification from your jobsite supervisor.
- Appropriate PPE (personal protective equipment) will be issued to you as needed for your assignment. You are required to use PPE correctly and at all times necessary for the task being performed.
- You may operate vehicles, equipment, or tools only if specifically authorized and trained to do so. Safety guards and devices must always be operable and in place while equipment is in use. Never use equipment, tools, or vehicles that are not in safe operating condition.
- If at any time you are asked to perform work in an unsafe manner, you are required to:
  - STOP and inform your jobsite supervisor of your safety concern
  - o if asked to continue, you should request a modification to ensure safe work conditions
  - if no modification is made, you should request alternative work that you can safely perform
  - if no alternative work is available, you should immediately request to contact your Personnel Plus supervisor to discuss your safety concern
  - if no resolution is determined, you may leave your work area only after receiving authorization from your Personnel Plus or jobsite supervisor
- If you witness or experience a "near-miss incident," you must report it immediately to your jobsite and Personnel Plus supervisors so that any existing hazard can be eliminated.
- You may always contact your Personnel Plus office if you have any question or concern related to the safety of your jobsite.

#### INJURY OR ILLNESS REPORTING - RETURN-TO-WORK POLICIES

- 1. If you are injured in any jobsite incident, or have incurred a work-related illness at a jobsite, you must:
  - Immediately report the incident to your direct jobsite supervisor (not a co-worker).
  - Report the incident to your Personnel Plus office no later than the end of your shift that day. Go to: http://www.personnelplus-inc.com/include/content/contact.asp for Personnel Plus office contact information. In any non-emergency situation, you must contact Personnel Plus before seeking medical treatment. You can reach a representative at any time outside business hours by calling the local Personnel Plus on-call phone number.
  - · Anyone experiencing a medical emergency should be immediately transported to and treated at the nearest hospital emergency room.
  - You are required to complete an incident report with the Personnel Plus office, and may be required to submit to a post-accident drug test.
- Any safety incident or injury that is reported after the end of your scheduled shift on the day of occurrence may be deemed a violation of this policy and could result in your claim being denied. Personnel Plus reserves the right to investigate any claim of injury.
- 3. If you require medical care, you must be treated by a Personnel Plus-designated medical provider. You are required to view the designated medical providers for your area [available here: http://www.personnelplus-inc.com/include/content/medproviders/]. If you seek treatment from any unapproved provider, you may be responsible for payment of any unauthorized treatment costs.
- 4. If you have sought treatment from a designated provider, you should be given a form indicating your return-to-work status. You are required to provide that form to the Personnel Plus office immediately following your treatment. If your designated provider has deemed that you are unable to return to your regular work duties, you will be offered modified work if available. You should remain in contact with your Personnel Plus office on a weekly basis until released to full duty by your treating physician.
- 5. You must inform Personnel Plus in advance of all medical appointments. You are required to keep all appointments as scheduled. If you must reschedule any appointment, it must be approved in advance by Personnel Plus, unless the reschedule is a result of a medical emergency. Personnel Plus reserves the right to attend any medical visit.

I have read and understand the above policy and agree that I have viewed the list of designated medical providers for my area. I acknowledge that any failure to comply with this policy or with any client company jobsite safety requirement may be deemed a violation of this policy and may result in disciplinary action up to and including termination and can also result in the denial of worker's compensation benefits. I understand that by my compliance with safety policies and procedures and my effort to always work in a safe manner, I can help ensure my own well-being and my success at any client company jobsite and with Personnel Plus.

Policy Statement It is the policy of Personnel Plus to maintain drug free workplace in accordance with the standards set by the Idaho Employers Alcohol and Drug-free Workplace Act and it is a condition of employment with Personnel Plus that all employees abide by this policy. Personnel Plus will not hire, rehire, or retain any individual who tests positive for any illegal drug or alcohol in their system; or who uses illegal drugs or a controlled drug in any amount, regardless of frequency, without a medically acceptable prescription. Idaho law stipulates conditions for which an employee may be discharged for misconduct or denied employment due to testing positive for illegal drugs or alcohol. Personnel Plus will discharge any current employee for misconduct and deny employment to any prospective employee who submits a specimen resulting in a confirmed positive test for illegal drugs or alcohol.

**Conditions for testing:** All current Personnel Plus employees, prospective employees or applicants, may be required to undergo a drug/alcohol screening test for any of the following reasons:

- Condition of initial employment (pre-employment)
- · Condition of continuation of employment
- Routine or random screening
- Reasonable suspicion by Personnel Plus or it Clients
- Critical events (workplace accidents, unusual behavior, etc.)

**Requirements**: You will be required to submit a specimen under reasonable and sanitary conditions for use in the drug/alcohol screening test. If you fail or refuse to supply a specimen within a reasonable time period, and unless you have a documentable medically acceptable reason, you will be presumed in violation of our drug testing policy and discharged for misconduct or denied employment.

**Collection**: You will be supplied an approved container to submit your specimen and asked to place it in a secure area. A trained technician will check the sample for contamination and proper temperature; and then proceed with conducting the drug screen. The specimen will be labeled with donor name, timed and dated. Reasonable quality assurance standards will be maintained throughout the collection, storage and transportation and testing process to ensure non-contamination or adulteration of the specimen. In the event of a specimen yielding a positive result, the resulting specimen will be sealed and processed in accordance with acknowledged chain of custody standards.

**Test**: The Preliminary test utilizes a scientifically accepted Redi-Screen<sup>™</sup> or similar quick drug/alcohol screening test. This is a one-step invitro immunochromatograpic test for qualitative determination of common drugs of abuse and their metabolites including: THC, PCP, Opiates, Cocaine, and Methamphetamine. The test detects drug metabolite present in the specimen and will present a positive result when the concentration exceeds the following threshold limits or levels. Other tests may also be used:

THC 50ng/ml other:
PCP 25ng/ml
Opiates 300ng/ml
Cocaine 300ng/ml
Methamphetamine 1,000ng/ml

**Test result**: The submitted specimen will be screened for one or more of the substances stated above and the result available in about 5 minutes. Depending on the test outcome, the following actions will be taken:

**Negative test**: No action taken other than recording the test result on the official drug test log. *Positive test: An* immediate recheck will be performed utilizing a separate Redi-Screen™ media to verify the positive result. If the recheck confirms the positive result, then the original sample will be immediately sealed, labeled and prepared according to Chain of Custody Standards. The donor must sign and acknowledge submitting the sealed specimen.

**Explanation**: The donor will be shown the test result and will be given an opportunity to explain, admit, or question it.

**Confirmation lab test:** All disputed tests will be forwarded to an independent lab utilizing a chromatographic technique to confirm the preliminary result. In any event, the confirmatory independent lab test result will be used in the application of this policy. The donor will be notified of the final result in writing by Personnel Plus or by the laboratory. The employee will be given an opportunity to discuss and explain the positive test result with a medical review officer or other qualified individual. The employee has the right to request a retest (at their expense) of the same sample which will be performed within (7) working days. The employee will be reimbursed for incurred expenses in the event of a reversed disputed test result. Any Personnel Plus employee who has a confirmed positive test will be in violation of this policy and will be suspended or discharged for misconduct.

Written Copy: The donor will be provided a copy of all test results including the type of substance involved.

Confidentiality\*: Reasonable care will be maintained by all parties involved to assure confidentiality and privacy of donor records.

Acknowledgement: Buy signing this form, the undersigned acknowledges that they understand the drug-free policy of Personnel Plus and understand that a confirmed positive drug test will result in discharge or denial of employment. The undersigned acknowledges that they understand the requirements of the test, the type of test used, and their opportunity to explain, admit or dispute the preliminary Redi-Screen™ or similar preliminary test result.
