# Form W-4 (2014)

**Purpose.** Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

Exemption from withholding. If you are exempt, complete only lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2014 expires February 17, 2015. See Pub. 505, Tax Withholding and Estimated Tax.

**Note.** If another person can claim you as a dependent on his or her tax return, you cannot claim exemption from withholding if your income exceeds \$1,000 and includes more than \$350 of unearned income (for example, interest and dividends).

**Exceptions.** An employee may be able to claim exemption from withholding even if the employee is a dependent, if the employee:

- Is age 65 or older,
- Is blind, or
- Will claim adjustments to income; tax credits; or itemized deductions, on his or her tax return.

The exceptions do not apply to supplemental wages greater than \$1,000,000.

Basic instructions. If you are not exempt, complete the Personal Allowances Worksheet below. The worksheets on page 2 further adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earners/multiple jobs situations.

Complete all worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

Head of household. Generally, you can claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See Pub. 501, Exemptions, Standard Deduction, and Filing Information, for information.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the Personal Allowances Worksheet below. See Pub. 505 for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity iincome, see Pub. 505 to find out if you should adjust your withholding on Form W-4 or W-4P.

Two earners or multiple jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See Pub. 505 for details.

Nonresident alien. If you are a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Check your withholding. After your Form W-4 takes effect, use Pub. 505 to see how the amount you are having withheld compares to your projected total tax for 2014. See Pub. 505, especially if your earnings exceed \$130,000 (Single) or \$180,000 (Married).

Future developments. Information about any future developments affecting Form W-4 (such as legislation enacted after we release it) will be posted at www.irs.gov/w-

# **General Information:**

Idaho law does **not** require a person to give consent, however, without a signed release from the subject of the record, any arrest more than 12 months old, **without** a disposition, cannot be given to a non-criminal justice agency.

Criminal history record information furnished as a result of a non-fingerprint based computerized search is based solely on a search of identifiers provided in the request. Be aware it is not uncommon for criminal offenders to use alias names and false dates of birth, which would adversely affect the completeness and accuracy of a non-fingerprint based search of the Idaho Central Repository of Criminal History Records. No other state or federal agency records can be searched under current law. The bureau does not telephone or fax responses. Please allow ample time for processing this request. Requests are processed on a first come basis.

The records maintained by the Idaho Bureau of Criminal Identification (BCI) are based upon the felony and serious misdemeanor arrests reported to BCI from other Idaho criminal justice agencies. If a person disputes the accuracy of information obtained, that person may challenge the information by writing to the address on this form.

Idaho code 67-3008 (6) states, "A person or private agency, or public agency, other than the department, shall not disseminate criminal history record information obtained from the department to a person or agency that is not a criminal justice agency or a court without a signed release of the subject of record or unless otherwise provided by law."

#### **SAFETY POLICY STATEMENT**

Personnel Plus is dedicated to ensuring a safe workplace environment for all of our employees. Our goal is to have zero on-the-job injuries. As an employee of Personnel Plus, it is essential that you are aware of and understand this goal, as well as all other Personnel Plus and jobsite safety requirements. We are committed to your safety and well-being, and you must also take personal responsibility for always conducting yourself in a safe and responsible manner. You should always think "safety first" before initiating any task. We expect you to always perform your duties in a manner that is consistent with this "zero injuries" goal. We ask that you read and understand the following safety policy. You are responsible for seeking clarification with us if any part of this policy is unclear. As an employee with our company, you will be required to acknowledge this policy and conform to its requirements.

#### **EMPLOYEE SAFE WORK PROCEDURES**

Personnel Plus strives to ensure a safe workplace for all employees and has established a goal of zero on-the-job injuries. As such, you must adhere to all workplace safety requirements. Following are general safety guidelines that you will be expected to follow:

- You should never perform a task that you believe to be unsafe, or that is beyond your physical capability. Always ask for help if needed.
- You will be required to comply with all safety policies and procedures in place at your jobsite. If any jobsite policy or procedure is unclear to you, it is your responsibility to seek clarification from your jobsite supervisor.
- Appropriate PPE (personal protective equipment) will be issued to you as needed for your assignment. You are required to use PPE correctly and at all times necessary for the task being performed.
- You may operate vehicles, equipment, or tools only if specifically authorized and trained to do so. Safety guards and devices must always be operable and in place while equipment is in use. Never use equipment, tools, or vehicles that are not in safe operating condition.
- If at any time you are asked to perform work in an unsafe manner, you are required to:
  - STOP and inform your jobsite supervisor of your safety concern
  - if asked to continue, you should request a modification to ensure safe work conditions
  - if no modification is made, you should request alternative work that you can safely perform
  - if no alternative work is available, you should immediately request to contact your Personnel Plus supervisor to discuss your safety concern
  - if no resolution is determined, you may leave your work area only after receiving authorization from your Personnel Plus or jobsite supervisor
- If you witness or experience a "near-miss incident," you must report it immediately to your jobsite and Personnel Plus supervisors so that any existing hazard can be eliminated.
- You may always contact your Personnel Plus office if you have any question or concern related to the safety of your jobsite.

# **INJURY OR ILLNESS REPORTING - RETURN-TO-WORK POLICIES**

- 1. If you are injured in any jobsite incident, or have incurred a work-related illness at a jobsite, you must:
  - Immediately report the incident to your direct jobsite supervisor (not a co-worker).
  - Report the incident to your Personnel Plus office no later than the end of your shift that day. Go to: http://www.personnelplus-inc.com/include/content/contact.asp for Personnel Plus office contact information. In any non-emergency situation, you must contact Personnel Plus before seeking medical treatment. You can reach a representative at any time outside business hours by calling the local Personnel Plus on-call phone number.
  - Anyone experiencing a medical emergency should be immediately transported to and treated at the nearest hospital emergency room.
  - You are required to complete an incident report with the Personnel Plus office, and may be required to submit to a post-accident drug test.
- 2. Any safety incident or injury that is reported after the end of your scheduled shift on the day of occurrence may be deemed a violation of this policy and could result in your claim being denied. Personnel Plus reserves the right to investigate any claim of injury.
- 3. If you require medical care, you must be treated by a Personnel Plus-designated medical provider. You are required to view the designated medical providers for your area [available here: http://www.personnelplus-inc.com/include/content/medproviders/]. If you seek treatment from any unapproved provider, you may be responsible for payment of any unauthorized treatment costs.
- 4. If you have sought treatment from a designated provider, you should be given a form indicating your return-to-work status. You are required to provide that form to the Personnel Plus office immediately following your treatment. If your designated provider has deemed that you are unable to return to your regular work duties, you will be offered modified work if available. You should remain in contact with your Personnel Plus office on a weekly basis until released to full duty by your treating physician.
- 5. You must inform Personnel Plus in advance of all medical appointments. You are required to keep all appointments as scheduled. If you must reschedule any appointment, it must be approved in advance by Personnel Plus, unless the reschedule is a result of a medical emergency. Personnel Plus reserves the right to attend any medical visit.

I have read and understand the above policy and agree that I have viewed the list of designated medical providers for my area. I acknowledge that any failure to comply with this policy or with any client company jobsite safety requirement may be deemed a violation of this policy and may result in disciplinary action up to and including termination and can also result in the denial of worker's compensation benefits. I understand that by my compliance with safety policies and procedures and my effort to always work in a safe manner, I can help ensure my own well-being and my success at any client company jobsite and with Personnel Plus.

Policy Statement It is the policy of Personnel Plus to maintain an alcohol and drug free workplace in accordance with the standards set by the Idaho Employers Alcohol and Drug-Free Workplace Act and it is a condition of employment with Personnel Plus that all employees comply with this policy. Personnel Plus will not hire, rehire, or retain any individual who tests positive for illegal drugs or alcohol; or who uses illegal or controlled drugs in any amount, regardless of frequency, without a medically acceptable prescription or admits use of illegal drugs or alcohol. Idaho law stipulates conditions for which an employee may be discharged for misconduct or denied employment due to testing positive for illegal drugs or alcohol. In accordance with Idaho law Personnel Plus will discharge any current employee for misconduct or deny employment to any prospective employee who tests positive or admits use to the use of illegal drugs or alcohol.

Adulterated test: The sample will be thrown away of anyone giving an adulterated test and the next test will be viewed.

<u>Conditions for testing:</u> All current Personnel Plus employees, or prospective employees, may be required to undergo a drug/alcohol test for any of the following reasons which may include, but are not limited to, the following:

A. Baseline B. Pre-employment C. Post-Accident D. Random E. Return to Duty F. Follow Up

G. Reasonable Suspicion

**Requirements**: You will be required to submit a urine specimen of greater than 30 ml or 80 strands of hair under reasonable and sanitary conditions for drug testing. Alcohol testing shall be done by saliva device or breath device or urine alcohol. Results of greater than .00 blood alcohol content shall be grounds for discharge. If you fail or refuse to submit a specimen within two hours, and unless you have a documented medically acceptable reason, alteration or attempt to alter a test sample, admitting use or submitting a sample that is not his/her own will be deemed in violation of this policy and discharged for misconduct or denied employment.

<u>Collection</u>: Upon returning the specimen to the technician it will be checked for contamination, dilution and correct temperature. Reasonable quality assurance standards will be maintained throughout the collection, assay, and shipping process to ensure non-adulteration of specimens, containers or devices. The specimen will be initially tested utilizing a scientifically accepted one-step in vitro immunoassay device for qualitative determination of the presence of the following drugs of abuse in concentrations greater than:

THC	50ng/ml	Amphetamine	1000ng/ml
Phencyclidine	25ng/ml	Barbiturates	300 ng/ml
Opiate	300ng/ml	Benzodiazepine	300 ng/ml
Cocaine	300ng/ml	Methadone	300 ng/ml
Methamphetamine	1,000ng/ml	Tricyclic antidepressant	1000 ng/ml

The device will be labeled with donor name, time and date and will be photocopied on the face of the results form to record the results. Personnel Plus routinely tests for the preceding drugs and threshold levels, and depending on employment situations that may arise, reserves the right to test for other drugs and/or quantities as necessary. The employee will be advised of the nature of such other tests at the time of testing.

Positive Immunoassay Result: Positive immunoassay results will be interpreted as presumed positive. Confirmatory testing is required unless the donor admits use. The assayed specimen will be packaged and sealed for shipment to a SAMSHA certified laboratory in accordance with acknowledged chain of custody standards. Employees presenting presumed positive results will be removed from active duty pending confirmatory test results. In the event of a presumed positive assay, the donor will be given the test result, including the type of substance involved and will be given an opportunity to decline confirmatory testing due to admitted use or accept sending specimen for confirmatory testing at a certified lab.

Confirmatory Lab Test: A SAMSHA certified laboratory will perform a Gas chromatography/mass spectrometry (CG/MS) test to confirm or disprove the in-vitro result. The employee will have an opportunity to discuss positive test results with the laboratory's medical review officer or other qualified person. The employee or prospective employee who has a positive test result may request that the same sample be retested by a mutually agreed laboratory. A request for a retest must be done within (7) working days from the date of the first confirmed positive test notification and may be paid for by the employee or prospective employee requesting the test. If the retest results in a negative test outcome, the private employer will reimburse the cost of the retest, compensate the employee for his time if suspended without pay, or if terminated solely because of the positive test, the employee shall be reinstated with back pay.

Negative test: Negative immunoassay results will be accepted as negative. No action will be taken.

<u>Confidentiality</u>: Personnel Plus will only use information obtained from a substance abuse test in a lawful manner to assure confidentiality of donor records.

<u>Acknowledgement</u>: By signing this form, the undersigned acknowledges that he/she understands the Alcohol and Drug-Free Workplace Policy of Personnel Plus Inc. and agrees to comply with the terms of this policy.
